EXPERIENCE

Microdigital - Software Engineer

2025 - Present

Fullstack Development

- **Migrated a legacy Windows desktop application to a modern React-based web application**, reusing existing REST APIs and improving maintainability, scalability, and user experience;
- **Developed and maintained enterprise web applications** using React (TypeScript), C# .NET, and SQL Server, supporting business-critical daily operations;
- **Designed, implemented, and maintained RESTful CRUD APIs and backend services** for document processing, PDF generation, and business logic using C# .NET and DevExpress libraries;
- **Designed and implemented frontend integrations with REST APIs and WebSockets**, enabling real-time communication with Docker-based services;
- **Designed and maintained SQL Server database structures, views, and stored procedures** supporting application functionality and business workflows;
- **Collaborated with the support team to translate business requirements into technical solutions**, troubleshooting issues and delivering improvements to existing systems.

PROJECTS

Business Website - Frontend Development

Freelance Project

- **Developed and deployed a responsive React frontend** for a business website used by multiple customers to schedule and manage appointments;
- **Collaborated around design and version control workflows** using Figma and Git.
 - **Stack:** React
 - **Tools:** Figma; Git
 - **Repository:** github.com/davidtvieira/lacuca-barbershop

Home Lab - DevOps

Personal Project

- **Built and maintained a self-hosted environment** for experimenting with virtualization, containerization, monitoring, and automation;
- **Worked with Proxmox, Docker and webhook-based services** to manage and monitor self-hosted applications and infrastructure.

EDUCATION

Bachelor's Degree in Software Engineering

2022 - 2025

SKILLS & INTERESTS

Frontend: React; React Native; TypeScript; JavaScript

Backend: RESTful API; SQL; .NET; C#

Tools: Git; Docker; Bash; Linux; Figma; Postman

Languages: Portuguese (Native), English (Fluent), Spanish (Intermediate)

Hobbies: Self-Hosting, Home Labs, Podcasts; TV Shows; Stand-up Comedy
